

New Promo:

# Win More Internet Deals with Verizon

## For 60 Days Verizon Business Markets cuts Internet Port list rates in half

- Available in over 200,000 Vz access buildings
  - > Select VzB and XO Facilities - limited VzT with the following specifications
  - > Excludes approximately 200 buildings classified as Carrier Hotels
- Supports tiered Ethernet Port speeds of 20Mbps, 50Mbps, 100Mbps, 500Mbps, and 1Gbps.
- Available only for Verizon Business Market Customers. Verizon Partner Program sales are eligible.

See how the MRC for the promotional list rates compare to our regular list rates:

Port Speed	List Rate	Promotional List Rate	Reduction
20Mbps	\$766	\$394	-49%
50Mbps	\$1,050	\$413	-61%
100Mbps	\$1,300	\$481	-63%
500Mbps	\$3,629	\$1,346	-63%
1Gbps	\$4,712	\$2,019	-57%

Standard discounts may be applied on top of these Promotional List Rates.

This promotion can be stacked and combined with the following promotions:

- On-Net Access High and Private IP Ethernet High Speed US Port for port(s) ranging from 150Mbps to 1Gbps
- Internet Dedicated New Service Incentive Promo
- E-Line Dedicated and E-Line Switched High Speed US Circuit

Example of combining the Promotion with On-Net Access and High Speed US Port promotions:

Speed	Rates with Access and Port Promotions and Max Sales VP Discount			Current List Rates		
	Access	IDS Port	MRC	Access	IDS Port	MRC
500Mbps	\$1,000	-61%	-61%	-61%	-61%	-61%
1Gbps	\$1,120	-63%	-63%	-63%	-63%	-63%

Above is based on a 3yr agreement and a max Sales VP approved discount of 60% for Local Access and 48% for IDS Port

Promotion available from May 22, 2017 and will run through July 21, 2017
